TO: Honorable Mayor and Council Members

FROM: Michael Hicks, City Manager

DATE: August 17, 2026

TITLE: Consideration of and action to approve a contract for a Legislative Manager/Chief of Staff for Ward 1 in the monthly amount of \$6,066.67. This is a budgeted item (G/L Account #100-1100-52-6170). This item is being requested by Councilwoman Dr. Jamelle McKenzie.

RECOMMENDATION:

Approval.

BACKGROUND INFORMATION

As part of a strategic restructuring of the Ward 1 Council Office, Dr. Jamelle McKenzie is transitioning the office from a traditional Legislative Aide support model to a leadership and management structure designed to meet the growing operational needs of Ward 1. The Legislative Manager / Chief of Staff will provide centralized leadership for the daily operations of the Councilmember's Office, including oversight of staff, contractors, consultants, constituent services, community engagement, legislative initiatives, special projects, and other administrative functions. The position will establish clear accountability, strengthen coordination, and ensure that the Councilmember's priorities are effectively carried from direction to execution. This restructuring allows Dr. McKenzie to remain focused on her responsibilities as an elected official—policy, legislation, advocacy, and constituent representation—while establishing dedicated professional leadership to manage the business and daily operations of the Ward 1 Office. The position represents more than an expansion of the Legislative Aide role; it is a deliberate transition to a management model built around leadership, accountability, execution, and operational efficiency.

WHEREAS, the City desires to engage Contractor, and Contractor agrees to render certain technical advice and professional services to the City pursuant to the terms and conditions set forth below.

2. **TERM.** This This Agreement shall become effective on the Effective Date and shall remain in full force and effect through August 31, 2027 (“**Initial Term**”), unless earlier terminated in accordance with the provisions of this Agreement. Following the Initial Term, this Agreement shall automatically renew for up to three (3) additional one (1) year renewal terms upon the same terms and conditions set forth herein, unless: (i) either Party provides the other Party with written notice of its intent not to renew the Agreement before the expiration of the then-current term; or (ii) this Agreement is otherwise terminated in accordance with the termination provisions contained herein. Each renewal term shall commence immediately upon the expiration of the preceding term without the necessity of any further action by either Party. 4. **RELATIONSHIP OF THE PARTIES.**
 - (a) *Independent Contractors.* Nothing contained herein shall be deemed to create any relationship other than that of independent contractor between the City and Contractor. This Agreement shall not constitute, create, or otherwise imply an employment, joint venture, partnership, agency, or similar arrangement between the City and Contractor.

It is expressly agreed that Contractor is acting as an independent contractor and not as an employee in providing the Services under this Agreement.

- (b) *Employee Benefits.* Contractor shall not be eligible for any benefit available to employees of the City including, but not limited to, workers' compensation insurance, state disability insurance, unemployment insurance, group health and life insurance, vacation pay, sick pay, severance pay, bonus plans, pension plans, or savings plans.

6. TERMINATION FOR DEFAULT.

- (a) The City may, subject to the provisions of subparagraph (c) below, by written notice of default to the Contractor, terminate the whole or any part of this Agreement in any one of the following circumstances; (i) if the Contractor fails to perform this Agreement within the time specified herein or any extension thereof; or (ii) if the Contractor fails to perform any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and does not cure such failure within a period of ten (10) calendar days after receipt of notice from the City specifying such failure.
- (b) In the event the City terminates this Agreement in whole or in part as provided in subparagraph (a) above, the City may procure, upon such terms and in such manner as the City may deem appropriate, services, similar to those so terminated, and the Contractor shall be liable to the City for any excess costs for the same, including without limitation all cost and expenses of the type specified in the "WARRANTY" paragraph of this Agreement; provided, that the Contractor shall continue the performance of this Agreement to the extent not terminated hereunder.
- (c) Except with regard to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes may include, but are not limited to, acts of God, or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, flood, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without the fault or negligence of

the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule. The term “subcontractor” shall mean subcontractor at any tier.

- (d) If, after notice of termination of this Agreement under the provisions of this paragraph, it is determined for any reason that the Contractor was not in default under the provisions above or that the default was excusable under the provisions of this paragraph, the rights and obligations of the parties shall be the same as if the notice of termination has been issued pursuant to the “Termination for Convenience” paragraph of this Agreement.
- (e) The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

7. **TERMINATION FOR CONVENIENCE.** The City may at any time by written notice terminate all or any part of this Agreement for the City’s convenience. If this Agreement is terminated, in whole or in part, for the City’s convenience, the Contractor shall be paid an amount, to be mutually agreed upon, which shall be adequate to cover the actual and reasonable cost paid by the Contractor for the actual goods and labor reasonably used by the Contractor to perform the work under this Agreement to the effective date of termination; provided that no amount shall be paid to the Contractor for (i) any anticipatory profits related to work under this Agreement not yet performed, or (ii) costs incurred due to the Contractor’s failure to terminate work as ordered on the effective date of termination. In no event shall the total amount paid under the provisions of this paragraph exceed the prices set forth in this Agreement for the work terminated.
